Report of Principal and School Improvement Council

Lake View Elementary, a Title One School, was again the proud winner of the Palmetto Silver Award during the 2012-2013 school year. This year marked the seventh straight year in a row of being named a Palmetto Gold/Silver School. In addition, under the ESEA/Federal Accountability Rating System, Lake View Elementary received an A rating and was named a Title One Reward School for academic performance. These prestigious awards represent the continuous dedication and diligent work of all stakeholders.

Lake View Elementary strives daily to provide a family friendly environment and excellent customer service. The library continues to conduct Library Late Night once a month. Parents and students are invited to use the computers to conduct research or check out books together.

To ensure students have the opportunity to perform at their maximum potential for learning, free breakfast continues to be served in the classroom each morning. While students are enjoying a nutritious breakfast, the teachers are also using this time to build classroom community skills and to teach character education. The Compass Learning Program is utilized to provide an individualized plan of instruction for all students based on their MAP scores. This program ensures all students receive instruction in the needed areas to advance to the next level.

Lake View Elementary will continue to strive for excellence, ensuring academic success for all students.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
